

## Wounds Of Eternity

Dew-Scented

The Skies Turn Black  
Obliterated  
But I Got Nothing To Regret

Stare Inside Of Me  
The Open Treasures Of Remorse  
Fortune - Malevolence  
Rise In Pride To Fall For Lust  
They Told Me A Million Times  
Play With Fire And You Will Burn  
Addictive Betrayal-Urge  
Absorb The Spirit To Ill The Flesh

The Soil Bleeds Black  
In Annihilation  
Come Kiss These Wounds Of Eternity  
Wounds - Of - Eternity

Dreamdeath Eternal Sleep  
The Scars Of Beauty Rip Up Wide  
In Search Of Tranquility  
Temptation Shivers Down My Spine  
Unable To Understand  
Just Try To Read Between The Lines  
Inherit This Emptiness  
Consume The Body To Heal The Will

The Skies Turn Black  
Obliterated  
Come Kiss These Wounds Of Eternity  
Regret-Wounds-Eternity
