

I guess she just afraid  
I can tell by the looking her eyes  
That I'm not the kind who make it last  
Forever I know

You ask me if I love you  
Sometimes I just want to hold you  
In my arms to make you feel in fine  
From fear I can see

Can you feel my heart beat  
Trust me I'll never let you go  
I will take care of you all the way

I know I swear for our love  
That I will not let you down  
And I swear for our love  
We belong together  
Nothing is gonna do us apart  
Now and forever  
Take away a doubt inside your heart

Look up the star in the sky  
I wanna get it just for you  
And fine it shine to make  
Our love come stronger  
And our dream come true

Can you feel my heart beat  
Trust me I'll never let you go  
I will take care of you all the way

[Chorus]
