I just wanna sail the seven seas and Hide behind the sun and never close my eyes Lay on my back and fantasize Of the perfect place to be

I wanna see the Mona Lisa Climb the Pyramids of Giza on a moonlit night, yeah Oh, I just wanna fantasize Of the perfect place to be

I just wanna disappear And feel like I'm free at last The time is right, my day has come It's gonna start today, my life of Saturdays

I wanna see the Seven Wonders Feel the rolling thunder of a Spanish sky Lay on my back and fantasize Of the perfect place to be

I wanna swim the deepest ocean
Be poetry in motion on a Paris night, yeah
Oh, I just wanna fantasize
Of the perfect place to be

I just wanna disappear
And feel like I'm free at last
The time is right, my day has come
It's gonna start today, my life of Saturdays

I'll go around the world in 80 ways
I'll never slow down, never fade away

I just wanna sail the seven seas and Hide behind the sun and never close my eyes Lay on my back and fantasize Of the perfect place to be

I just wanna disappear
And feel like I'm free at last
The time is right, my day has come
It's gonna start today

I just wanna disappear
And feel like I'm free at last
The time is right, my day has come
It's gonna start today, my life of Saturdays

Oh, where will I go?
