

Prozak (Be Like Me)

Dexter Freebish

I'm gonna spend another night all by myself
Like a loser on the outside looking in
No one cares if I disappear and don't come back
Cause the only friends I have are in my head
And I know that I'm alive but I feel dead

I wanna be that guy that gets the girl and saves the world
Then everyone would wanna be like me, be like me
I wanna be that guy that's got it made gets overpaid
Then everyone would wanna be like me, be like me

Confidence and ego trips I never took
You'll never know the places that I've been
Who is gonna sell me a miracle
Cause every star I've wished on fades away
And my universe gets dimmer every day

I wanna be that guy that gets the girl and saves the world
Then everyone would wanna be like me, be like me
I wanna be that guy that's got it made gets overpaid
Then everyone would wanna be like me, be like me

Who am I to blame
There's nothing I can change
Everything's the same
