

Wonderland

Dexter Freebish

You sit in a stairwell, there is no sound
You feel like a king that has lost his crown
You're not turning heads in a beat up truck
You think you'll never win because you've got bad luck

Well it might get better because it can't get any worse...

This wonderland
Is this the life you thought you would have
This wonderland
Is this where you dreamed you'd be at

Well it might get better because it can't get any worse...

Monday's bad, but Friday's worse
You called for a cab and they sent a hearse
You wanna go out, but there's nowhere to go
You're still stuck in the middle of a bad TV show

Well it might get better because it can't get any worse...

This wonderland
Is this the life that you thought you would have
This wonderland
Is this where you dreamed you'd be at

This wonderland
Is this the life that you thought you would have
This wonderland
Is this all you can give
