Desperados

Dezperadoz

nowhere to run and nowhere to hide sing the song you better keep inside with loaded guns on holy ground like a deadly punch desperados in town

nowhere to run and nowhere to hide don't try to be strong don't even try to fight for when we'll be gone you might still be around and you sing this song 'cause desperados in town

showdown has come with deadly sound it's a quick draw game desperados in town

nowhere to run and nowhere to hide...
