This Is Who We Are

DI-RECT

These days we live in, feel broken Will we reach are destination Our eyes are open, but they're bleeding Must be more than this to believe in

Oh ooh this is who we are, This is who we are oh oooh This is who we are

No time for sorrow, no reason Nothings real with al these dreamin No more tomorrow, it's ilusion Welcome to my revolution

Oh ooh this is who we are, This is who we are oh oooh This is who we are

Oh we live without, we frigale, We come so far, and this is yeah Sing this is who we are

These days we live in, feel broken But we will reach are destination

Oh ooh this is who we are, This is who we are oh oooh This is who we are
