

Walk With Me

DI-RECT

He was born in 1980
Between the devil and the deep blue sea
Be a big man, don't you cry
Said his papa with his broke down pride
Some day he knew he'd walk away
He packed up on a dark and cloudy day

Do it yourself, leave me alone, you can take it
How come I am the only one who doesn't fake it
Walk with me I'll tell you where to go

Now it is my time to roam
Over mountaintops I'll go
The sun is shining bright like a lightning
But when the night falls it might get frightening
See, I don't need to, be afraid
Cos I'm free and I'm not gonna deviate

I did it myself, I'm better alone, I made it
How come you push it's like you just wanna be hated
Walk with me I'll show you where to go

Through my days I sleep
Through the night I weep
When I'm dreaming I am floating, flying
I'm so glad, you're here
Side by side sharing fear
We'll arrive in a place, that we call home
