

## Creatures of Deception

Diablo

Once we were able to see  
Behind this shroud of mystery  
Searching for the truth  
Searching for some signs of divinity

Presentation of souls  
So much suffering  
The truth cannot be found  
Without facing reality

Now we are lost in this maze  
Unable to communicate  
Suffer from the life which was  
Burnt at the stake of vanity

Presentation of souls  
So much suffering  
The truth cannot be found  
Without facing reality

Behold those Creatures of Deception

We have become so weak  
Cynic, so insecure  
Now we can not even see  
What is behind this heresy
