

## Resign From Life

Diablo

So here I am, conjuring the ghost of Cain  
I was born into this world,  
one foot in the grave  
but you can still see the grin on my face

Soon I will come and go,  
out of order, raving through the show  
Trembling hands, smell of death  
I disregard bone and flesh

No matter what I do, no matter how hard I try  
You still cannot face what I have become  
It's never me, it's never you  
There's nothing else, there's nothing new  
But I've just got one more thing to say:

"Yes, I am my brother's keeper"

Hey, now I have reached the point  
where there's nothing left to say

I am crusading on this serpent of disgrace

Life, just one more,  
just one more connection to let go  
Well, let's propose a to for the loss!

Destiny waits for no one  
and now my time is near  
I will resign, resign from life

Now I have given all the excuses I could give  
Still you try to read between the lines,  
keep acting like you knew it all
