

## Tunnel of Pain

Diablo

I can't deny that I want to see  
Through your soul, through severity  
But I'm afraid of knowing  
When kind of a sight  
When kind of a message I will find

My crusade is doomed to fail  
But I still carry on  
Like father like son  
I'm frozen inside

I know that I can get lost on this  
Left hand side of the path  
As you can see  
My time is running short  
In resisting the decaying of my soul

My crusade is doomed to fail  
But I still carry on  
Like father like son  
I'm frozen inside

I begin to see  
When my role will be  
In this Tunnel of Pain
