

# Soul Projection

Diabolic

Leaving the body  
Dreaming on an astral plane  
Travelling on imagery  
Visual potential aware  
Psychic concentration  
Levitating above the self  
Out of body experience  
or the finality of death!!

Altered states of consciousness  
Dimension of time  
Discarnate entities  
A lasting distortion seen  
Revelations of the future  
Scenes of an ecstasy  
Limit a false awakening  
Hallucination flights

Struggle for existance  
The life after death!!

Soul projection  
Unreality  
Life transforming power  
Unreal to compare!!

Leaving the dimension  
Travelling beyond and back  
Dynamic potential aware  
Aware!!

Altered states of consciousness  
Dimension of time  
Discarnate entities  
A lasting distortion seen  
Revelations of the future
