Welcome to my hell
Last chapter of this tale
Last stop in your exile
A sweet end to see our lives entwined

Lurra esnatzen ari da

Welcome to my hell
From where there's no escape

Accipere quam faccere praestat iniuriam
Ab improbitas initium sumpsit omnis perditio

Ez ahaztu nor zaren, zertarako zaude zu naute

Nire oroitzapenek deitzen naute
