

# Helpless

Diamond Head

I gotta see you moving fast, see you come my way  
See the dreams, I hope they last, never fade away  
Gotta see the lights above, make it loud tonight  
Gotta set it all on fire, set it all alight

See the flashing lights, hear the thunder roll  
I am gonna set you alight  
Gotta make it man, I ain't got no choice  
Gotta fill this hall tonight

Helpless, Helpless, Helpless, Helpless  
Helpless, Helpless, Helpless, Helpless

I don't know what I'm gonna do, maybe not tonight, yeah  
Gotta set you all afire, gotta treat you right  
I can see the flashing lights, lazer for your love  
Gotta hear the thunder roar, coming from above

See the flashing lights, hear the thunder roar  
I am gonna set you all alight  
Gotta make it man, I ain't got no choice  
Gotta fill this hall tonight

Helpless, Helpless, Helpless, Helpless  
Helpless, Helpless, Helpless, Helpless

I can see the stars, I can see what's going on  
Every night alone, I sing my songs just for fun  
Only time will tell if I make it myself someday  
The stage is mine, music is my destiny  
Cannot squeeze the life from me

I can see the stars, I can see what's going on  
Every night alone, I sing my songs just for fun  
This business ain't for laughs, business men don't like it so  
Helpless maybe babe, but you can still enjoy the show  
Cannot squeeze the life from me

Gotta be good, see you tonight  
I know that was fine  
Gotta be safe, gotta be true  
You know that you're mine  
Help me now, I'm coming home, ohh  
Gotta be fine, gotta be right  
You'll set me alight

Help me now, I'm coming home  
I can see the band from miles away  
Looks so right, feels so tight, oohh  
Feels so fine, feels so good. oohh  
Makes a man a whole man  
Lord it's gonna make my day  
Helpless, helpless, oohh  
Helpless, helpless, oohh
