

# Let Me Down Easy

Diamond Head

When I want you, I don't need you  
Ohh, baby, I don't need to know your name  
'Cos that's when I know, I got to run away, got to hide away  
'Cos you are a world of wonderful things, a bonfire of vanities

Baby you, let me down easy  
Ohh, girl you, let me down easy  
Let me down

You're a shadow, your own illusion  
And I'm not taken in by anything that you say or do  
All that I know I got to hide my face and the time I listens, baby, you  
You're a world of wonderful things, a bonfire of vanities

Baby you, let me down easy  
Ohh, girl you, let me down easy  
Ohh, baby you, let me down easy  
Like a ring without a heart  
Like a baby without some kind of love

Let me down easy, ooh  
Let me down easy, ooh  
Let me down easy, ooh  
Let me down easy, ooh

Let me down, me down, me down, me down, me down  
Let me down, me down, me down, me down, me down  
Let me down, me down, me down, me down, me down  
Let me down, me down
