Play It Loud

Diamond Head

Hey mom, what do you say I've seen the lights more than what they say The music's fine, I like it loud I play my song, loud and proud Yeah baby, it's alright It's so late, I'll take my time Light the lights and burn my brain Sweeten me, it's just the same Hey dad, what do you say, oh yeah You gotta know, know, know what makes my day You hit it good, you hit it right I'm going on now, I'll be good tonight Yeah baby, it's alright It's so late, I'll take my time Light the lights and burn my brain Sweeten me, it's just the same Play it loud... Oh I want you to, I'll groove you too Loud, oh, that's gotta be You know it's gotta be
