Beautiful Mess

Diamond Rio

Going out of my mind these days, Like I'm walkin' round in a haze. I can't think straight, I can't concentrate. And I need a shave.

I go to work and I look tired. The boss man says: "Son, you're gonna get fired." This ain't your style, and from behind my coffee cup, I just smile.

What a beautiful mess! What a beautiful mess I'm in. Spendin' all my time with you, There's nothin' else I'd rather do. What a sweet addiction that I'm caught up in. 'Cos I can't get enough, Can't stop the hunger for your love. What a beautiful, what a beautiful mess I'm in. Ahhh.

This morning put salt in my coffee. I put my shoes on the wrong feet. I'm losin' my mind, I swear; It might be the death of me, But I don't care.

What a beautiful mess! What a beautiful mess I'm in. Spendin' all my time with you, There's nothin' else I'd rather do. What a sweet addiction that I'm caught up in. 'Cos I can't get enough, Can't stop the hunger for your love. What a beautiful, what a beautiful mess I'm in. Ahhh.

Is it your eyes? Is it your smile? All I know is that you're drivin' me wild.

What a beautiful mess!
What a beautiful mess I'm in.
Spendin' all my time with you,
There's nothin' else I'd rather do.
What a sweet addiction that I'm caught up in.
'Cos I can't get enough,
Can't stop the hunger for your love.
(What a beautiful.)
What a beautiful.....

What a beautiful mess! What a beautiful mess I'm in. Spendin' all my time with you, There's nothin' else I'd rather do. What a sweet addiction that I'm caught up in. 'Cos I can't get enough, Can't stop the hunger for your love. What a beautiful, what a beautiful mess I'm in. Ahhh. Ahhh.
