

# Hold Me Now

Diamond Rio

Oopsie daisy I'm losin' my mind  
Hold me now, hold me now  
Clock on the wall says  
I'm outta time  
Hold me now, hold me now

I gotta reason but  
I'm all outta rhyme  
Hold me now, hold me now  
Sometimes the answers are just so hard to find  
Hold me now

When my grip on the day  
Starts slippin' away  
If I'm gonna fall at all  
I'm gonna fall in love with you

Here I go I'm fallin' again  
Hold me now, hold me now  
It always happens when your love comes in  
Hold me now, hold me now

My hopes and dreams have been left out in the cold  
Hold me now, hold me now  
Feels like the world is spinnin' outta control  
Hold me now

When my grip on the day (when my grip on the day)  
Starts slippin' away (starts slippin' away)  
If I'm gonna fall at all  
I'm gonna fall in love with you

Here I go I'm fallin' again  
Hold me now, hold me now  
It all gets better when your love comes in  
Hold me now

I'm gonna fall in love with you

Here I go I'm fallin' again  
Hold me now, hold me now  
It always happens when your love comes in  
Hold me now, hold me now

Here I go I'm fallin' again  
Hold me now, hold me now  
It all gets better when your love comes in  
Hold me now, hold me now  
Hold me now
