

# I Believe

Diamond Rio

Every now and then  
Soft as breath upon my skin  
I feel you, come back again  
And it's like, you haven't been

Gone a moment from my side  
Like the tears were never cried  
Like the hands of time  
Were pulling you, and me

And with all my heart, I'm sure  
We're closer than we ever were  
I don't have to hear or see  
I've got all the proof I need

There are more than angels watching  
Over me.. I believe.. ohh, I believe.

Now when you die, your life goes on  
It doesn't end here, when you're gone  
Every soul is filled with light  
It never ends, if I'm right

Our love can even reach, across-  
Eternity.. I believe.. ohh, I believe.

Forever, you're a part of me  
Forever, in the heart of me  
I will hold you even longer  
If I can..

Oh, the ppl who don't see the most  
See that I, believe in ghosts  
If that makes me crazy, then I am  
Cuz I believe.. ohh, I believe..

There are more than angels watching  
Over me.. I believe.. ohh, I believe.

Every now and then  
Soft as breath upon my skin  
I feel you, come back again..  
And I believe..
