Mirror Mirror

Diamond Rio

Mirror, Mirror, on my wall, Tell me, who is the loneliest fool of them all No, wait a minute, I believe I see The answer's staring back at me

Spent most of the morning laying in bed Lunch was a black coffee and three cigarettes They say it will kill me, but I've got a hunch That this broken heart's gonna beat 'em to the punch

Mirror, Mirror, on my wall, Tell me, who is the loneliest fool of them all No, wait a minute, I believe I see The answer's staring back at me

Yes, I'm the one who swore she would stay Right up to the moment the U-Haul drove away She didn't leave a table; she didn't leave a chair But she knew what she was doing When she left you hanging there

Aw, Mirror, Mirror, on my wall, Tell me, who is the loneliest fool of all No, wait a minute, I believe I see The answer's staring back at me

No, wait a minute, I believe I see The answer's staring back at me...
