

Reaching For Me

Diamond Rio

It's not about what I've done
It's not about what I bring to You, my Lord
It's all about who You are
And how You've made me holier

I'm alive, deep inside, forever changed
'Cause You are always reaching for me
Always reaching for me
By Your blood, with Your love, full of grace
You are always reaching for me
Always reaching for me, yeah

Guide me with Your Word
I'll follow where Your Spirit moves me
I'm at the edge of me
And I'm caught up in what You're doing

I am reaching back to You, Lord
I am reaching back to You

I am reaching back to You, Lord
