Diamond Rio

She's so kissable, huggable  
Lovable, unbelievable  
She's a mouthful of anything  
And everything a man could want

She ain't typical, she's unpredictable  
She's available, it's a miracle  
How my heart stumbled into someone  
So kissable, huggable, lovable, unbelievable

Up 'til now my life has been  
So lonely and boring  
I never thought I would find someone

So elegant, intelligent  
Heaven sent, all my money spent  
I put a big down payment  
On that itty bitty diamond ring

She's so beautiful, it's indisputable  
It's undeniable, she's got-to-havable  
She's music to my ears and makes my heart sing  
So kissable, huggable, lovable, unbelievable

There's so many things I want to tell her  
I got to love her  
But every time I talk, I start to stutter

She's so elegant, intelligent  
Heaven sent, all my money spent  
I put a big down payment  
On that itty bitty diamond ring

She's so beautiful, it's indisputable  
It's undeniable, she's got-to-havable  
She's music to my ears and makes my heart sing  
Say kissable, huggable, lovable, unbelievable

Kissable, huggable, lovable, unbelievable  
Kissable, huggable, lovable, unbelievable
