Unbelievable

Diamond Rio

She's so kissable, huggable Lovable, unbelievable She's a mouthful of anything And everything a man could want

She ain't typical, she's unpredictable She's available, it's a miracle How my heart stumbled into someone So kissable, huggable, lovable, unbelievable

Up 'til now my life has been So lonely and boring I never thought I would find someone

So elegant, intelligent Heaven sent, all my money spent I put a big down payment On that itty bitty diamond ring

She's so beautiful, it's indisputable It's undeniable, she's got-to-havable She's music to my ears and makes my heart sing So kissable, huggable, lovable, unbelievable

There's so many things I want to tell her I got to love her But every time I talk, I start to stutter

She's so elegant, intelligent Heaven sent, all my money spent I put a big down payment On that itty bitty diamond ring

She's so beautiful, it's indisputable It's undeniable, she's got-to-havable She's music to my ears and makes my heart sing Say kissable, huggable, lovable, unbelievable

Kissable, huggable, lovable, unbelievable Kissable, huggable, lovable, unbelievable
