

# What More Do You Want From Me

Diamond Rio

I gave you my heart for years and years  
What more do you want from me  
My laughter and my lonely tears  
What more do you want from me

I've been faithful to you beginning to end  
Isn't that enough  
I gave you my all and I gave it again  
What more do you want

Oh love, what else could there be  
Oh love, what more do you want from me

I've been fooled by what I believed was you  
Oh what a sweet disguise  
I pledged my heart forever true  
'Cause I thought it was you in her eyes

Oh love, what else could there be  
Oh love, what more do you want from me

Oh give me a clue, what is it with you  
Is there somethin' that I can't see  
What more do you need what more could there be  
What more do you want

Oh love, what else could there be  
Oh love, what more do you want from me  
Oh love, what else could there be  
Oh love, what more do you want from me  
Oh love, what more do you want from me
