

Buy It All

Diamond

He say he wanna buy it all for me
He gonna buy it all
Get it all for me
He gonna get it all
He say he wanna buy it all for me
For me for me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
He say he wanna buy it all for me
He gonna buy it all
Cause I am his sweaty
And I just think he slipped
I stumbled in his hands
He grabbed me my waist and ask me could he be my man
And my reply was yes how could I second guess
This type of chemistry you just don't get this everyday
Eyes locked heart stopped in the modern day
He whispered in my ear and this is what he had to say
He say he wanna buy it all for me
He gonna buy it all
Get it all for me
He gonna get it all
He say he wanna buy it all for me
For me for me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
cause I am his sweaty
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all

He gonna buy it all
For me
He say he wanna buy it all for me
He gonna buy it all
Cause I am his sweaty
We only three months in and I am still spoiled rotten
New whips and new gifts man this shit is poppin
We out there show stopping paparazzi all on me
Lips locking hips rocking in the VIP
I never dream this will be my reality
But some things missing and I just can't shake this shit out of me
Should I just let this be or go on with the plan
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
Cause I am his sweaty
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
I am getting weak so weak
I cannot handle this
I am feeling vulnerable
And though I want you here I am used to being independent so
I am feeling weird
And when I feel like this I run so I shed a tear
Cause I know is the end is coming and I just get in gear
Oh how I wish I could met you sooner life is bitch
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
Cause I am his sweaty
He gonna buy it all
Buy it all
He gonna buy it all
Buy it all
He gonna buy it all
For me
