

There's something in your eyes
I know I can't resist
There's something in the air
I don't know why
You were hardly there when I was on my own
There's something about you that makes me cry

Can I believe
that your heart still beats for me
Let me receive
A sign that you're my destiny
I wanna know

Give me a reason for me to believe in
Can't you see it in my eyes?
That I need a reason
for I'm still breathing
Is it time to say goodbye?
Cause deep in my heart I know there's a reason
why I'm not leaving
why I'm not alone
So give me a reason for me to believe in
Give me a reason

Something in your eyes still takes my breath away
Something is deep inside please tell me why
I don't know what I should do to break this spell
how can you make my life an alibi?

Can I believe
That your heart still beats for me?
Let me receive
a sign that you're my destiny
