

Sweetest Day Of May

Diamond

Mmm... Mmm... Freedom

Sweetest day of May (repeat 10 times)

He yeah! Hey yeah! Freedom (repeat)

I remember the day

You past my way

I was lost for words

I had nothing to say

You said I used to meet to at a bar in L.A.

Oh my sweetest day of May

Hey yeah! Hey yeah! Freedom... oh my sweetest...

I remember the night you looked into my eyes

I felt so good that I wanted to cry

You better not be afraid

I never felt this way

Oh my sweetest day of May

Hey yeah, sweetest day of May (repeat)

Remember the day, remember the night

You looked in my eyes

I felt so good, so right

Sweetest day of May

On the sweetest day (repeat)

Sweet the day (repeat)

Sweet the day of May

Sweet sweet sweet sweet sweet (repeat)

Sweetest day of May (repeat)
