

## Freaky Animals

Diana Anaid

My pa my pa is like a freak in the town  
I cannot look him in the face  
It's like a bad hand and I take a hand  
My ma my ma I did not know her so well  
But like the story books tell she was a strange one  
As soon as I could read I lose who I am  
My folks you know are like a travelling  
Show an animal and a freak  
Now look at me I lose who I am
