

## Get Yourself Lost

Diana Anaid

You played me like a puppet  
Pretend I don't have any time to waste  
You said you'd keep me from the sharks  
But you kept me for a private feast  
You said you don't believe in one night stands  
So you f\*\*k me over whenever you can  
You told me to follow a formula for success  
But I don't want to be the same as everyone else is  
So I'll do it on my own  
I'm shaking you off  
I'm sick of having you in my face so  
Get yourself lost  
Thanks for wasting my time and energy  
Thankyou so much, it couldn't have been me  
Thanks for wasting my breath and creativity  
I think you've wasted  
more than enough of me  
You said you'd never do wrong  
by me or take me for a ride  
You said with then sincerity of a well practiced lie  
I told you that I would do the very best that I can  
Well at least one of us kept to the original plan  
You managed alright to stress me out  
To fill my head with shit and serious doubt  
I think that I'm really doing alright  
So get your ass out of my spotlight
