

Make My Body Hot

Diana King

So many things I'm imagining, even though nothing's happening.
It takes me places I've never been without even touching me.
The way you move your body, babe,
sends a tingling sensation through my body so tempting;

I don't want to let you in
I like what you're doing to me
but it's just a bit too much for now.
I'm telling you, you better stop or else

you're gonna make my body hot.
Boy, you make me want to give it up.
I think of you inside, my love, and I think I've got to loosen up,
but boy, you're gonna make my body hot.

Don't you do that to me. Don't you do that to me.
All the signals you have sent me
Help me set my feelings free.
Got me feeling so irate
ooh, free and irate.

Scared I might make a mistake;
I don't want my poor heart to break.
Then again, it might be too late for me to get away.
I like what you're doing to me

but it's just a bit too much for now.
I'm telling you, you better stop or else
you're gonna make my body hot.
Boy, you make me want to give it up.

I think of you inside, my love, and I think I've got to loosen up,
but boy, you're gonna make my body hot.
Don't you do that to me.
Is it emotional?

I am wanting you so much.
Or is it physical?
Boy, I hunger for your touch.
Is it sexual?

Boy, I'm curious 'bout that.
I really need to know how you make my body so hot.
You make my body so hot, now.
You make my body so hot.

You make my body so hot, now.
I like what you're doing to me
but it's just a bit too much for now.
I'm telling you, you better stop or else

you're gonna make my body hot.
Boy, you make me want to give it up.
I think of you inside, my love, and I think I've got to loosen up,
but boy, you're gonna make my body hot.

Tingling sensation, yes.

Ta-temptation.

Oh, anyway you move your body, what a boy, sexy.
