

# Mi Lova

Diana King

Oh mi lova oh mi baby  
When u come me will be waiting  
This for mi lova, dedicated to mi lova

First time I saw your face, my heart it start to race  
Boom-boom, boom-boom, like a beat outta place  
They say when ya find, ya find, ya find the perfect kind  
Ya feel it in yer heart  
Not a thing can change yer mind  
One look in yer eyes made me wanna cry  
One kiss a de lips completely blew my mind  
Yes I found, yes I found my love  
The one I wanna love, the one I wanna love, yes

Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, alright  
When u come me will be waiting  
To touch ya, please ya  
Love ya, squeeze ya, all night  
Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, all night  
Ooh yer lovin' drive me crazy  
Wanna taste ya, embrace ya

Lovin' you is easy, all ya do is please me  
When lick me up and rub me down  
U know jus' how to tease me  
The way that we move, we move, we move  
Into the groove  
Nothing feels so right, and every night ya prove  
One look in yer eyes puts my mind at ease  
One kiss a de lips brings me to my knees  
Yes I found the one  
Yes I found the one  
I wanna love, I wanna love yes

Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, alright  
When u come me will be waiting  
To touch ya, please ya  
Love ya, squeeze ya, all night  
Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, all night  
Ooh yer lovin' drive me crazy  
Wanna taste ya, embrace ya

Lova, lova, lova...  
Yes you are the best, no other can fess  
A step above the rest, yes, yes, yes

Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, alright

When u come me will be waiting  
To touch ya, please ya  
Love ya, squeeze ya, all night  
Oh mi lova, oh mi baby  
I see ya, feel ya  
Want ya, need ya, all night  
Ooh yer lovin' drive me crazy  
Wanna taste ya, embrace ya
