

Smooth Girl

Diana King

I don't trip on silly shit
I pour myself some crys and then take a little sip
I don't freak, like every week
With all that's going on ya know ya gotta getta grip
I just chill, that's my skill
I don't need no drugs, I don't need no pills
To conceal, what is real
I say what's on my mind and I say jus' what I feel

Famous people that u know (I don't care)
Who's a dog and who's a ho (I don't care)
Who's the star with all the flow (I don't care)
I don't get stressed, I just flex

I'm a smooth girl (S.M.O.O.T.H.)
In a rude world
(I am just a smooth girl, livin' in a rude world)
I'm a smooth girl (S.M.O.O.T.H.)
In a rude world
(I am just a smooth girl, livin' in a rude world)

This is me, I'm what ya see
Not jus' some counterfeit pretending to be
Or a bitch, who gonna switch
Love is all I need and love is all I give
Like I told ya, I'm a soldier
And every day I get a little bolder
To be myself, and no one else
And if ya don't like it you can go to hell

People in da magazines (I don't care)
Who is straight and who's a queen (I don't care)
Who was up yer in between (I don't care)
I don't get no fazed nowadays

I'm a smooth girl (S.M.O.O.T.H.)
In a rude world
(I am just a smooth girl, livin' in a rude world)
I'm a smooth girl (S.M.O.O.T.H.)
In a rude world
(I am just a smooth girl, livin' in a rude world)
