

# Still

Diana King

I watch you whilst you sleep  
I think about tomorrow  
And pray you'll never go  
Somewhere I couldn't follow  
Young as we are now  
We won't live forever, sad but true  
If you went away  
I'd still be loving you

Still be wanting you

Looking in your eyes  
I see our children's children  
Sure as the sun will rise  
Together we shall see them  
But if this can not be  
Time won't change  
The way I feel, it's true  
If you only knew  
I'd still be loving you

Still be wanting you

Even if you weren't mine  
U know I couldn't love you better  
And even if you were dying  
I wouldn't care, I'll be there  
For always

Still be loving you

Still be wanting you
