

# Supa-lova-bwoy

Diana King

Some girls they just living a lie  
With a man who don't even try  
Making a plan to escape, just can't wait  
Fantasizing day and night  
Wondering what it would be like  
If the right one came along, to turn them on

Ya hav man like this and man like that,  
Sum a dem slim, and some a dem fat  
Some a dem cool and some a dem not  
Only one cane make you hot

Supa-lovva-bwoy, that's what ya need  
Kinda lover who wants ta please  
Supa-lover-bwoy, understands  
He can lead ya to the promised land  
Supa-lova-bwoy, it's no lie  
He really knows how to make you fly  
Fly on, fly on

Some guys jus cramp yer style  
Bore you stiff and all da while  
Cheat on you when yer back is turned, never learn  
Never say what they really mean  
Never mean what they try to say  
Always taking you for a fool, so uncool

Girls over there, girls over here  
Want a guy who can take dem there  
Want a man to put a smile on their face  
If they don't get it, they haffa replace

Supa-lovva-bwoy, that's what ya need  
Kinda lover who wants ta please  
Supa-lover-bwoy, understands  
He can lead ya to the promised land  
Supa-lova-bwoy, It's no lie  
He really knows how to make you fly  
Fly on, fly on  
Fly on, (fly on) fly on

It's a bird, it's a plane  
It's a dream, it's a game  
Be strong, have faith  
It's all worth the wait  
It's a light in the sky  
That won't pass you by  
It's a prayer, that you say  
Waiting for the one  
To take your breath away

Supa-lovva-bwoy, that's what ya need  
Kinda lover who wants ta please  
Supa-lover-bwoy, understands  
He can lead ya to the promised land  
Supa-lova-bwoy, It's no lie  
He really knows how to make you fly

Fly on....
