Super-Lova-Bwoy

Some girls they just living a lie With a man who don't even try Making a plan to escape, just can't wait Fantasizing day and night Wondering what it would be like If the right one came along, to turn them on

Ya hav man like this and man like that, Sum a dem slim, and some a dem fat Some a dem cool and some a dem not Only one cane make you hot

Supa-lovva-bwoy, that's what ya need Kinda lover who wants ta please Supa-lover-bwoy, understands He can lead ya to the promised land Supa-lova-bwoy, it's no lie He really knows how to make you fly Fly on, fly on

Some guys jus cramp yer style Bore you stiff and all da while Cheat on you when yer back is turned, never learn Never say what they really mean Never mean what they try to say Always taking you for a fool, so uncool

Girls over there, girls over here Want a guy who can take dem there Want a man to put a smile on their face If they don't get it, they haffa replace

Supa-lovva-bwoy, that's what ya need Kinda lover who wants ta please Supa-lover-bwoy, understands He can lead ya to the promised land Supa-lova-bwoy, It's no lie He really knows how to make you fly Fly on, fly on Fly on, (fly on) fly on

It's a bird, it's a plane It's a dream, it's a game Be strong, have faith It's all worth the wait It's a light in the sky That won't pass you by It's a prayer, that you say Waiting for the one To take your breath away

Supa-lovva-bwoy, that's what ya need Kinda lover who wants ta please Supa-lover-bwoy, understands He can lead ya to the promised land Supa-lova-bwoy, It's no lie He really knows how to make you fly

Diana King

Fly on...
