

# Tumble Down

Diana King

They say that nothin' lasts forever  
And things can fall apart in a day  
We've been so happy together, oh  
I just want you to know, I'm here to stay, oh

So if your luck ever leaves you  
And your friends don't call  
If they should ever deceive you  
I won't let you fall

'Cause if it all comes tumble tumble down  
You know I'm the one who'll always need you so  
I'm the one who'll never let you go  
If it all comes crashin' to the ground

You know I'm the one who'll find you anywhere  
I'm the girl you know who'll always care  
If it all comes tumble tumble down

They say that the city's gonna slide in the ocean  
And rain's gonna fall for forty days  
Nothin' can stop my sweet devotion  
Nothin' could make me go away

'Cause if the world goes crazy  
And we lose it all  
Reach out and catch me  
Don't let me fall

'Cause if it all comes tumble tumble down  
You know I'm the one who'll always need you so  
I'm the one who'll never let you go

If it all comes tumble tumble down  
You know I'm the one who'll always understand  
I'm the one who'll take you by the hand  
If it all comes tumble tumble down  
If it all comes tumble tumble down

Mi nah gon' leave you  
Mi a gon' show you that mi love is true  
Please believe me, hug mi up an' squeeze me  
Doubt mi never, mi nah gon' hurt you ever  
'Cause mi love is forever, you and I together

'Cause if the world goes crazy  
And we lose it all  
Reach out and catch me  
Don't let me fall

'Cause if it all comes tumble tumble down  
You know I'm the one who'll always need you so  
I'm the one who'll never let you go

If it all comes crashin' to the ground, oh  
You know I'm the one who'll find you anywhere  
I'm the girl you know who'll always care

If it all comes tumble tumble down

If it all comes tumble tumble down

If it all comes tumble tumble down

Tumble down, down, down
