Dancing in the Dark

Diana Krall

Dancing in the dark 'til the tune ends We're dancing in the dark and it soon ends We're waltzing in the wonder of why we're here Time hurries by, we're here and we're gone

Looking for the light of a new love To brighten up the night, I have you love And we can face the music together Dancing in the dark

What - though love is old What - though song is old Through them we can be young

Hear this heart of mine
Wailin' all the time
Dear one, tell me that we're one

Looking for the light of a new love To brighten up the night, I have you love And we can face the music together Dancing in the dark, dancing
