

From This Moment On

Diana Krall

From this moment on you for me dear
Only two for tea dear from this moment on
From this happy day no more blue songs
Only hoopty-do songs from this moment on

For you got the love I need so much
Got the skin that I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me good night

Oh oh, from this moment on, you and I babe
We'll be riding high babe
Every care is gone
From this moment on

For you got the love I need so much
Got the skin that I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me good night

Oh oh, from this moment on, you and I babe
We'll be riding high babe
Every care is gone
From this moment on
