

I Was Doing All Right

Diana Krall

I was doing all right
Nothing but rainbows in my sky
I was doing all right
Until you came by.
Had no cause to complain
Life was as sweet as cherry pie
Never minded the rain
Until you came by.

Now whenever you're away
Can't sleep nights and suffer all the day
I just sit and wonder
If love isn't one big blunder.
But when you hold me tight
Tingling all through, I feel somehow
I was doing all right
But I'm doing much better now.
