

No Moon at All

Diana Krall

No moon at all, what a night
Even lightnin' bugs have dimmed their lights
Stars have disappeared from sight
And there's no moon at all

Don't make a sound, it's so dark
Even Fido is afraid to bark
Such a perfect chance to park
There's no moon at all

Should we want atmosphere for inspiration, dear
One kiss will make it clear
That tonight is right and bright moonlight might interfere

No moon at all up above
This is nothin' like they told us of
Just to think we fell in love
And there's no moon at all

Should we want atmosphere for inspiration, dear
One kiss will make it clear
That tonight is right and bright moonlight might interfere

No moon at all up above
This is nothin' like they told us of
Just to think we fell in love
And there's no moon at all

No moon at all
No moon at all
No moon at all
