Prairie Lullaby

Diana Krall

Shadows slowly creeping down the prairie trail Everything is sleeping - ah, but the nightingale

Moon will soon be climbing in the purple sky Night winds all a-humming this tender lullaby.

Cares of the day have fled
My little sleepyhead
Stars are in the sky
Time that the prayers were said
My little sleepyhead
To a prairie lullaby

Saddle up your pony
The sandman's here
To guide you down the trail of dreams
Tumble in bed my tired
My little sleepyhead,
To a prairie lullaby

Saddle up your pony
The sandman's here
To guide you down the trail of dreams
Tumble in bed my tired
My little sleepyhead
To a prairie lullaby
