

Ain't Nothin' But a Maybe

Diana Ross

Could it be he's interested
Or am I just wanting it to be so
Do I dare speak to him
Should I let the moment go

Forget this hunger inside
Forget this hunger inside
Should I let the feeling flow
Should I just let it flow
Ain't nothing maybe, baby
I sure would like to know

Could it be he's just friendly
That ain't nothing to get excited about
On the other hand he could be answering
Good vibrations I'm sending out

Well I just don't know
What I'm really seeing
Should I make a move
Or keep on day dreaming

Ain't nothing maybe, baby
I sure would like to
I wanna know
I wanna know
I wanna know
I sure would like to

Could it be he's interested
Should I let the moment go
Forget this feeling inside
Forget this feeling inside

Should I let the feeling flow
Should I just let it flow
Ain't nothing maybe, baby
I sure would like to
I wanna know
I wanna know
I wanna know

Forget this hunger inside
Forget this hunger inside
Should I let the feeling flow
Should I just let it flow
Ain't nothing maybe
Ain't nothing maybe, baby

Forget this hunger inside
Forget this hunger inside
Should I let the feeling flow
Should I just let it flow
Ain't nothing maybe, baby
Ain't nothing maybe, baby
Forget this hunger inside
Forget this hunger inside
