## Ain't Nothin' But a Maybe

## **Diana Ross**

Could it be he's interested
Or am I just wanting it to be so
Do I dare speak to him
Should I let the moment go

Forget this hunger inside Forget this hunger inside Should I let the feeling flow Should I just let it flow Ain't nothing maybe, baby I sure would like to know

Could it be he's just friendly
That ain't nothing to get excited about
On the other hand he could be answering
Good vibrations I'm sending out

Well I just don't know What I'm really seeing Should I make a move Or keep on day dreaming

Ain't nothing maybe, baby
I sure would like to
I wanna know
I wanna know
I wanna know
I sure would like to

Could it be he's interested Should I let the moment go Forget this feeling inside Forget this feeling inside

Should I let the feeling flow Should I just let it flow Ain't nothing maybe, baby I sure would like to I wanna know I wanna know I wanna know

Forget this hunger inside Forget this hunger inside Should I let the feeling flow Should I just let it flow Ain't nothing maybe Ain't nothing maybe, baby

Forget this hunger inside
Forget this hunger inside
Should I let the feeling flow
Should I just let it flow
Ain't nothing maybe, baby
Ain't nothing maybe, baby
Forget this hunger inside
Forget whis founder inside
