I've never had this feeling before I've never wanted anyone more And something in your eyes tells me You feel the way that I do (I feel like you do)

If you would like to stay here all night
You know that I would say
It's all right
'Though I'm saying yes
I confess
I've got more on my mind
'Cause I want more of you
Than your time

All of you, your body and soul
Every kind of love you can express
All the secret dreams you've never told
I want everything
And I'll take nothing less
All of you as long as you live
Everything you've never shared before
I want all of you that you can give
All your joys and all your sorrows
Your todays and your tomorrows

How I long to feel the warmth of your touch And then if I'm not asking too much I'd like to spend my life wand'ring through All the wonders of you

And when we're lying close in the dark So close I feel each beat of your heart I want you to reveal what you feel All you hold deep inside There is nothing I want you to hide

All of you, your body and soul Everything you want this love to be I want all of you All that you can give And in return for all your giving Let me give you all of me

All of you, your body and soul
Every kind of love you can express
All the secret dreams you've never told
I want everything (everything) everything
All of you as long as you live
(As long as you live)
Everything you want this love to be
I want all of you
All that you can give
In return (in return) I wanna give you
