

Can't It Wait Until Tomorrow

Diana Ross

I know you're standing there
Trying to say the words
You took so long to prepare
But I laugh, pretending I don't see
'Cause I don't want to hear
What you got to say to me

Can't it wait until tomorrow
Before you bring me the showers?
Can't it wait until tomorrow?
Give me twenty-four more hours

I've seen it coming for quite sometime now
Don't you know I've tried to stop it
In every way I know how?
And I know it's hard for you
As it is for me
So listen to my heart
Begging desperately

Can't it wait until tomorrow
Before you bring me the showers?
Oh, wait until tomorrow
Give me twenty-four more hours

Baby, please give me twenty-four more hours
Can't it wait until tomorrow
Before you bring me the showers?
Can't it wait until tomorrow?
Give me twenty-four more hours

Can't it wait until tomorrow
Before you bring me the showers?
Oh, wait until tomorrow
Give me twenty-four more hours
