

# Corner of the Sky

Diana Ross

If any of you have been in New York recently you'll know that "Pippin" is one of the biggest Broadway show throughout today. "Pippin" is the story of Emperor Charlemagne's son who could never ever find happiness. He tried everything. He tried war, he tried religion. And he even tried a little sex. But it didn't work. Too bad for him! The song I'd like to do for you know is from "Pippin". And it's about his search for fulfillment to find his corner of the sky.

Rivers belong where they can ramble  
Eagles belong where they can fly  
I've got to be where my spirit can run free  
Gotta find my corner of the sky

Everything has a season  
Everything has its time  
Show me a reason  
And I'll show you a rhyme  
Cat's been on the window sill  
Children fit in snow  
Why do I feel I don't fit in  
Any place I go

Rivers belong where they can ramble  
Eagles belong where they can fly  
I've got to be where my spirit can run free  
Gotta find my corner of the sky

Every man has his day dream  
Every man has his goal  
People like the way dreams  
Have of sticking to the soul  
Thunder clouds have their lightning  
Nightingales have their soul  
Can't you see I want my life  
To be something more than long

Rivers belong where they can ramble  
Eagles belong where they can fly  
I've got to be where my spirit can run free  
Gotta find my corner of the sky

So many men are destined  
To settle for something small  
Don't you know that I won't rest  
Until you know I had it all  
So don't ask where I'm going  
Just listen when I'm gone  
And far away you'll hear me singing  
Softly to the dawn

Rivers belong where they can ramble  
Eagles belong where they can fly  
I've got to be where my spirit can run free  
Gotta find my corner  
Gotta find my corner  
Gotta find my corner of the sky
