

# Don't Nobody Bring Me No Bad News

Diana Ross

When I wake up in the afternoon  
Which it pleases me to do  
Don't nobody bring me no bad news  
'Cause I wake up already negative  
And I've wired up my fuse  
So don't nobody bring me no bad news

If we're going to be buddies  
Better bone up on the rules  
'Cause don't nobody bring me no bad news  
You can be my best of friends  
As opposed to payin' dues  
But don't nobody bring me no bad news

No bad news  
No bad news  
Don't you ever bring me no bad news  
'Cause I'll make you an offer, child  
That you cannot refuse  
So don't nobody bring me no bad news

When you're talking to me  
Don't be cryin' the blues  
'Cause don't nobody bring me no bad news  
You can verbalize and vocalize  
But just bring me the clues  
But don't nobody bring me no bad news

Bring some message in your head  
Or in something you can't lose  
But don't you ever bring me no bad news  
If you're gonna bring me something  
Bring me, something I can use  
But don't you bring me no bad news
