## **Forever Young**

May God bless And keep you always May your wishes all come true May you always do for others And let others do for you

May you build a ladder to the stars And climb every road And may you stay forever young

May you grow up to be righteous May you grow up to be true May you always know the truth And see the light surrounding you

May you always be gracious Stand upright and be strong And may you stay Stay forever young

Forever young Forever young May you stay forever young

May your hands always be busy May your feet always be swift May you have a strong foundation With the winds changing shift

May your heart always be joyful May your song always be sung And may you stay

Forever young Forever young Stay forever young Stay forever young

Stay Stay forever young Forever young Forever young

Stay forever young
