May God bless
And keep you always
May your wishes all come true
May you always do for others
And let others do for you

May you build a ladder to the stars And climb every road And may you stay forever young

May you grow up to be righteous
May you grow up to be true
May you always know the truth
And see the light surrounding you

May you always be gracious Stand upright and be strong And may you stay Stay forever young

Forever young
Forever young
May you stay forever young

May your hands always be busy May your feet always be swift May you have a strong foundation With the winds changing shift

May your heart always be joyful May your song always be sung And may you stay

Forever young
Forever young
Stay forever young
Stay forever young

Stay
Stay forever young
Forever young
Forever young

Stay forever young
