## I Loves You, Porgy

## **Diana Ross**

I loves ya porgy Don't let him take me Don't let him handle me And drive me mad

If you can keep me Porgy, I wanna stay here With you forever I got my man

Someday, I know
He's comin' back to call me
He's going to handle me and hold me
It's gonna be like dyin', porgy
But when he calls me
I'll have to go

I loves ya porgy Don't let him handle me With his hot hands

If you can keep me
I wanna stay here
With you forever
And ever, ever and ever
Ever and ever
Porgy, I got my man
